- St. Joseph’s Avenue to Rancho San Antonio County Park

Stevens Creek Boulevard Connection to Rancho San Antonio County Park

- Stevens Creek Boulevard – Bike Lanes and Multi-use Path
- Staging Area with Grade-Separated Bridge Crossing UPRR

Item IV.A – Summary of Studied Routes

2. Infeasible Alignments and Reasons for Rejections

Dale/Heatherstone to Fremont Avenue

- Trail to Diericx Drive with Highway 85 Overcrossing - Caltrans
- North Side Highway 85 Underpass – No public ownership
- Alignment through Fremont Avenue Office – Public trail easement needed
- Crossing beneath Fremont Avenue – Public trail easement and replacement bridge needed
- Median Running Path on Mary – Superseded by Mary Avenue Street Space Allocation Study and Large Number of Roadway Intersections

Fremont Avenue to Homestead Road

- Trail along the creek – No public ownership
- Grade-separated Crossing of Homestead Road at Bernardo combined with Highway 85 Overcrossing South of Homestead Road with potential connection to Maxine – Limits Caltrans Options within Highway Cloverleaf
- Median Running Path on Mary – Superseded by Mary Avenue Street Space Allocation Study and Large Number of Roadway Intersections

Homestead Road to Stevens Creek Boulevard

- Trail through culverts at Highway 280 – Caltrans concerns
- Trail through SCVWD lands over Highway 280 – Grades
- Trail to Groveland over Highway 280 – PG&E Lines
